

RULES FOR THE LSC BRITISH SCHOOLGIRLS' RACES

INTRODUCTION

The Ladies' Ski Club Limited has established the BSR Committee. The BSR Committee has responsibility for the organisation and administration of the British Schoolgirls' Races. The rules for the British Schoolgirls' Races are based on the Ski Competition Rules of the International Ski Federation and the British Competition Rules. The BSR Committee will consider annually whether Rules of the International Ski Federation or other rules should be included in the rules of the competition and will make appropriate recommendations for amendments to these rules for approval by the Directors of the Ladies' Ski Club Limited.

DEFINITIONS AND ABBREVIATIONS

BASS	British Alpine Seeding System
BARTS	British Artificial Seeding System
BCR	British Competition Rules
Board	The Directors of the Ladies' Ski Club Limited
BSR	British Schoolgirls' Races
OC	Organising Committee
FIS	International Ski Federation
Force Majeure	Implies circumstances beyond the control of the Race Organising Committee i.e. cancellation due to bad weather, break-down of lifts, lack of snow etc.
Hors Concours (HC)	An individual or team not entitled by the rules to race but allowed to do so by the Race Organising Committee. HC entries may not win the normal prizes or trophies, but special prizes may be set aside for them if the Race Organising Committee so decides.
TD	Technical Delegate who is appointed by the Governing body and whose prime concern is the security of the Competition and the participants and adherence to the rules. The TD acts as Chairman of the Jury
Jury	The body which governs the conduct of the BSR and ensures that rules are applied fairly. It arbitrates in any dispute over race rules and disqualifications and also represents the racers.
Referee	Jury member responsible for completing a report for each run and adjudicating on racers who were DNS, DNF or DSQ
ROC	Race Organising Committee
GBSki	GB Snowsports

Competitions, Entry and Race Staff

Races

1. The BSR will consist of a Giant Slalom, a Slalom and a Parallel Slalom. The technical details for each discipline, and those concerning racing in general, may be found in the International Competition Rules (ICR), copies of which may be obtained from GB Snowsports (GBSki,) or downloaded from www.fis-ski.com. Where appropriate the jury will refer to the BCR, in which special regulations are in place for British Run competitions.
2. The ROC has the right to change or cancel the programme in the event of Force Majeure or where the conditions do not allow a safe competition to be run. No refunds will be issued if the competition cannot be completed on account of weather, safety grounds or unsportsmanlike behaviour.

Eligibility

3. All girls of Under 14, Under 16, Under 18 and Under 21 categories (based on year of birth) in accordance with the ICR who attend a UK based school on a full-time basis are eligible to compete. Girls who spend time abroad during the winter term are also allowed to compete if they are enrolled in their UK school for the whole year.
British pupils (ie girls holding a current British passport) at a non-UK based school may also compete.
4. Team competitors of non-British nationality (ie not holding a British Passport) who are full time pupils at participating UK based schools are eligible to compete in such school team(s) and for the BSR team trophies and prizes.
5. Girls younger than the Under 14 category (in accordance with the ICR- i.e. under 12 on the 1st January) are not permitted to take any part in the BSR nor to act as forerunners or Hors Concours participants. Forerunners may be nominated at the team captains' meeting or by emailing the ROC in advance at snow@britishschoolgirlsaces.co.uk
6. Girls who have ~~not~~ been BASS or BARTS registered for the three years up to and including the year of the event, will not be eligible to compete for non-registered prizes. Alongside this the first thirty finishers in each discipline will not be eligible for the non-registered prizes.

Teams

7. Any three competitors attending the SAME school may be nominated to compete as a team, irrespective of age category.
 - a) A school may initially enter more than three girls to facilitate team trials but the Team Captains are responsible for ensuring that the Race Secretary is informed of the names of the nominated team members by **12.00 on Sunday**, before the Team Captains meeting.
 - b) Each team for the Giant Slalom and Slalom must consist of the same competitors, but the running order may be changed for each discipline.
 - c) The parallel team may be made up of different competitors and include reserves provided that they were entered on the initial team form.
 - d) Reserves, previously nominated, will be allowed to replace a racer who has been injured during the event and has been declared 'unfit to race' by a local doctor, the BSR doctor or the race jury.
 - e) If the weather conditions do not allow time for the full parallel slalom to be run, the OC reserves the right to run only the A teams and to run the B teams on a separate occasion where possible. If it is not possible to run any teams on **Sunday**, then the OC reserves the right to run A teams only.

- f) Should the above occur, the OC will insist on original nominations of Team A/B stand. I.e. Teams may not change the make-up of their teams.
- 8. Entries will be accepted on a first come first served basis. Initially entries will be accepted from only **two teams** per school. Subject to availability, entries from second and third school teams (B and C Teams) will be accepted after a certain date. This date will be given in the relevant race information sheet.

B teams will be accepted according to a priority list – Priority is given relative to the number of years a school has continuously supported the event.

C Teams will be accepted on a first come first served basis in 2024, as a trial run.
- 9. The OC has the right to restrict the number of teams in any race when either weather, light hours or snow conditions make such restrictions necessary. In such events 'A' teams will take priority over 'B' teams. Teams may not mix and match their entries at this time.
- 10. Due to high demand from Schools, entries from Clubs will no longer be accepted.

Registration

- 11. Each Team Captain/School Representative must register their final team at the Race Office by **15.00 on Sunday**, the day before the first race of the BSR.

An Athlete's Declaration (which may be downloaded from www.britishschoolgirlsaces.co.uk) must be completed by any competitor who is not registered with BASS for snow or with BARTS for artificial. These forms must be submitted to the Race Office not later than 18.00 on Registration Day.

The Draw

- 12. The draw will be held no later than 16.00 on the day before the first race to determine the start order for the race. Each discipline will have a separate draw. The Organising Committee will make the draw electronically, supervised by the TD, and announce the running order at the Team Captains meeting. This will be published on social media, via whatsapp to the captains group and on the website.
 - a. Teams will be drawn in two separate groups, with each 'A' team drawn in the first group and 'B' teams drawn in the second group. Number 1 racers in the first group will run in team drawn order, they will be followed by number 2s and then number 3s in the same order. The 'B' group will then run in the drawn order in the same manner, following the first group.
 - b. For the second run of both the Giant Slalom and the Slalom, the start order of racers within each group will be reversed i.e in the 'A' team group number 1 racers will reverse order, then number 2 racers will reverse order and finally number 3 racers will reverse order. The 'B' team group will reverse their order of run in the same way.
 - c. The parallel draw will be seeded on the result of the first run of the race immediately preceding it, usually the Giant Slalom. Subject to the conditions in 7 (e)

Disqualifications

- 13. A list of disqualifications will be announced and posted in the finish area by the Jury after each run of a race. Protests against disqualification must be lodged, in accordance with the ICR, within

15 minutes of the posting time. If you miss this protest time, no further protests will be taken. The Jury's decision is final.

14. The OC reserves the right to disqualify athletes if their appointed doctor reports they are medically unfit to compete.

15. Where a team is deemed to act in an unsportsmanlike way, adverse to the values of the event and
Ski racing the OC and Jury reserve the right to disqualify the individual or team.

Insurance

16. All competitors and **forerunners** must have adequate insurance covering ski racing.
The responsibility for insuring each competitor rests with the competitor or their legal guardian.
17. Personal Liability is the responsibility of the competitor. The organisers shall take out Liability Insurance for all members of the Committee and those involved in the running of the races.

Safety

18. Competitors must make sure that their equipment is adequate for the discipline at hand and fully functional. The OC strongly recommends Giant Slalom skis are used for the GS event and Slalom skis are used for both slalom and parallel slalom events. Sunglasses are specifically forbidden whilst racing. As this is not a 'National Race' competitors do not need to adhere to the ICR/FIS Ski Length rules.
18. Under FIS and ICR rules it is mandatory for all competitors and forerunners to wear a helmet in all events including the parallel slalom. Course inspection is included as it is an integral part of the race. Helmets must conform to alpine competition standards. Giant Slalom helmets can be worn for Slalom, but Slalom helmets are not allowed in Giant Slalom.
19. Helmets with stickers, other than those of the manufacturer, or camera mounts will not be allowed. Up to date rules concerning helmets can be found on the BSR website and these will be strictly enforced.
20. Competitors must wear ski clothes or cat suits suitable for ski racing. Racing in leggings or non-regulation cat suits is dangerous and will not be allowed.
No cameras or Gopros can be worn without the TD's prior consent.
No follow cams are allowed without the OC and TDs prior consent.
21. Girls found behaving in an inappropriate or unsafe manner towards BSR organisers or other racers may be subject to disqualification by the Jury. Disregard of instructions from OC can also result in disqualification.
22. The Jury reserves the right to make a judgement call on safety grounds to amend, cancel or change the event at short notice.

Calculation of Results

- 23 **Individual results:** Individual results will be calculated from the competitor's race points. If two or more competitors finish in exactly the same time, the competitor with the higher start number will be listed first on the results sheet.

24. **Team results:** Team results will be calculated by totalling the race points of the best two individual results of the three team members.
25. **Combination results:** Combination results will be calculated by combining race points from both the Giant Slalom and the Slalom. The team/individual with the least points total from both races is the winner. In the event of a tie the team/individual with the least points in the Giant Slalom will be deemed the winner.

Note: under 14's have two 'one run' races which are both considered for BASS points, whereas under 16's, 18's and 21's have a one race with two runs. If anyone does not complete the first run their points for the second run will not be counted towards final results.

Race Organising Committee and Officials

26. The BSR Committee will appoint the ROC to run the races at the venue agreed by the BSR Committee each year. The members of the ROC shall be appointed at times appropriate for the efficient conduct of the BSR.
27. The BSR committee will include:
- a) Chief of Championships
 - b) 'On snow' co-ordinator (usually the Chief of Race)
 - c) Safeguarding Officer
 - d) BSR Treasurer
 - e) President of LSC
 - f) PR-Sponsorship Co-ordinator

Two or more of these positions can be held by the same person

28. The ROC will include:
- a) Chief of Championships
 - b) 'On Snow' Co-ordinator
 - c) Race Secretary
 - d) PR-Sponsorship co-ordinator
29. The ROC will co-opt further persons as necessary for the running of the races, including Chief of Race, Chief of Course, Chief Gate Judge and Chief of Timing & Calculations.
30. The duties of all members of the ROC are to be within the spirit of the FIS rules but at the discretion of the ROC.

31. For every team submitted, the school will be expected to provide at least one gatekeeper per team submitted for the event. Non-Compliance with this Rule may compromise the team's entry and result in disqualification.

The Jury

32. The Jury is to be constituted in accordance with the ICR as follows:

- a) The Technical Delegate (appointed by the GBSki TD forum)
- b) The Chief of Race
- c) The Referee.

33. The duties of all members of the Jury are to be in the spirit of the current FIS rule

Trophies and Prizes

34. The trophies and prizes that are competed for annually are shown with the entry information.
35. Winners of individual and Team trophies are to ensure the safe return of the trophies, cleaned and appropriately engraved, to the Race Office before the Team Captains Meeting ie on Sunday before the first race.
36. In the event of loss or damage of a trophy the Chief of Championships or Race Secretary is to be informed at least one month before the event. The Trophy must be repaired or replaced by one of similar value by the Winner.

Prize Giving

37. The prize giving ceremony is an integral part of the Championships and as such, all competitors, and particularly prize winners, are expected to be present.

By entering a team the school has agreed to abide by this rule and non-compliance may compromise a future entry and disqualification from the Competition.

RESERVES:

We are aware that more and more schools are bringing reserves and picking their teams once in resort. Our rules regarding reserves have changed over the years and now they can be part of the parallel slalom team and can replace a skier if she has been badly injured or certified unfit to race.

In 2024 time permitting, we are planning to allow all reserves to do one run of slalom on Tuesday after the second official run. This would only be if there was no parallel scheduled on that day and would depend on the condition of the piste and the agreement of the TD.
